

High Elms Manor

Testimonials

The day went flawlessly and the venue was simply fantastic!

You did a first rate job in removing all traces of 'school'. We greatly appreciated being able to decorate the function rooms to add our own touch to the place. Our guests were full of praise for the venue and little additions. The paintings in the hallway made the world of difference.

We must commend you for your caterer who was extraordinarily flexible and innovative in accommodating our requirements and the standard of organisation on the day was faultless. The staff were first rate and could not do enough to help things go smoothly. The overall thoughtfulness and care they showed was outstanding.

Also thank you for your flexibility in enabling us to prepare at times of our choosing. It made the run-up to the wedding so much less stressful. Once again thank you wholeheartedly for contributing so substantially to making our wedding day both special and successful.

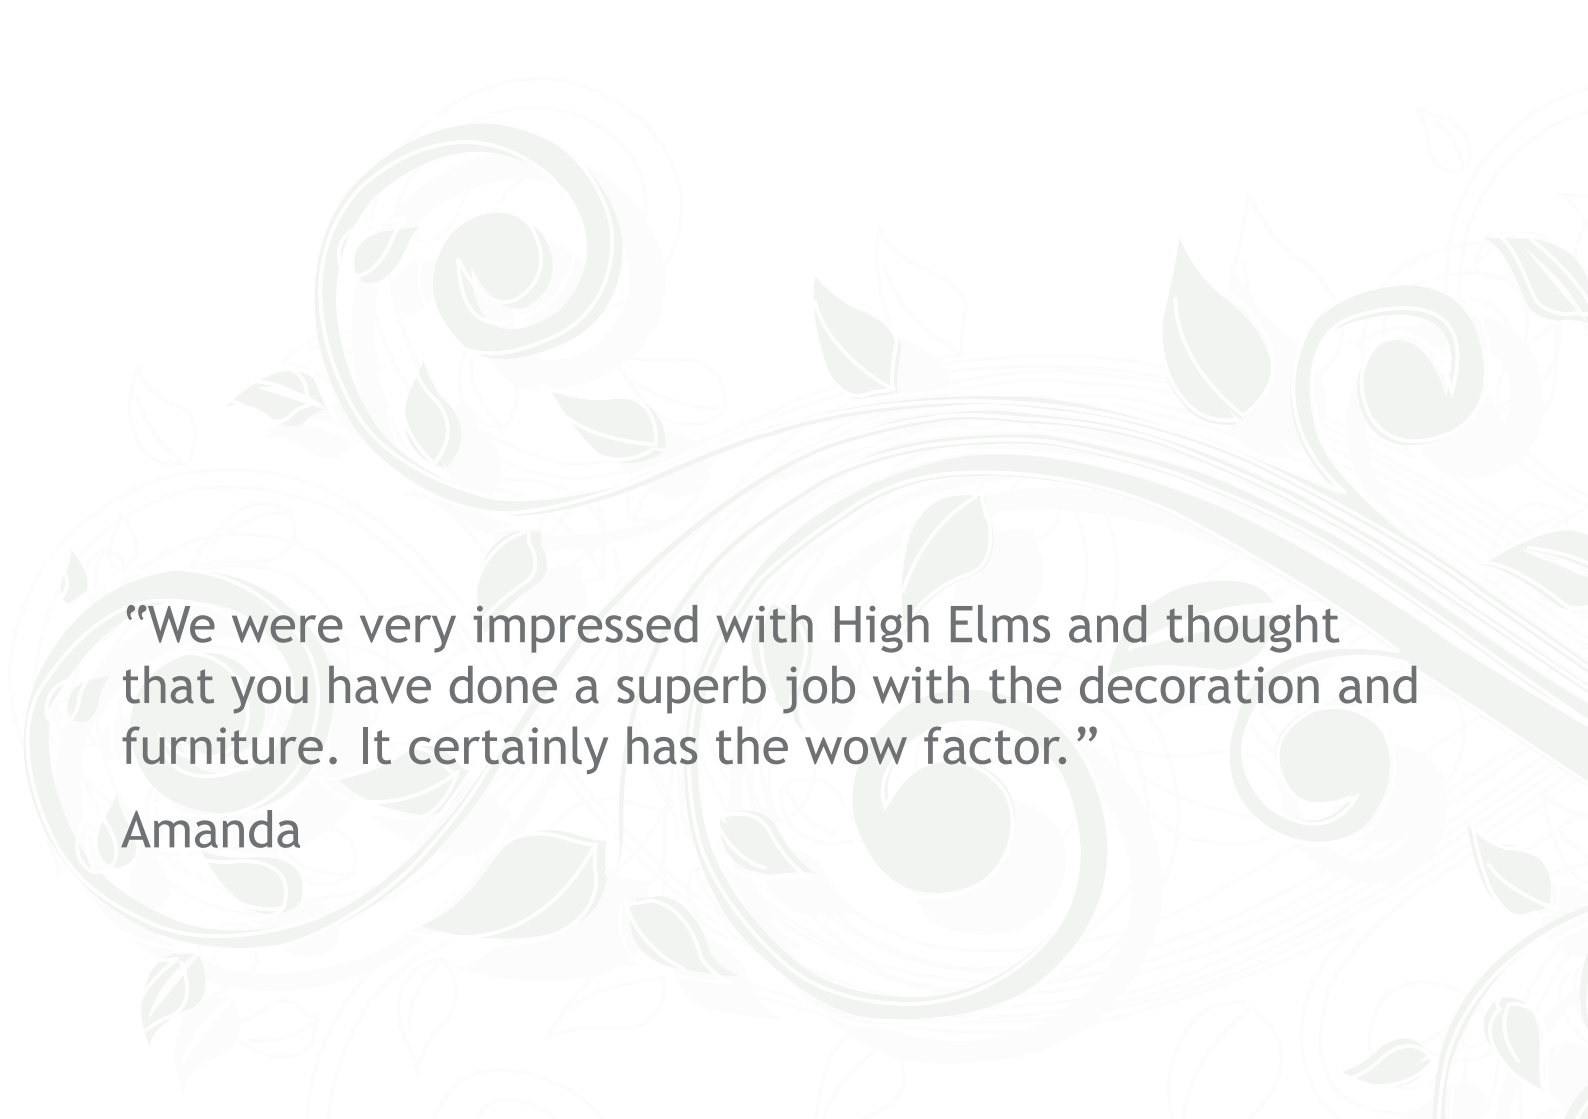

Warmest regards, Kay and Paul

Dear Sheila,

Thank you for restoring High Elms Manor. Without your love for this project it would not have been possible to have such a special day.

Hi Ailise

I just wanted to say a big thank you for all your help you have given since we first contacted you regarding using High Elms for our wedding. We had a brilliant day and although it rained all day it didn't really affect anything as the Manor is such an amazing venue we had some brilliant photos inside.

If you ever need anything then just let me know. I would happily recommend the use of High Elms to anyone.

Thanks

Jack
